The Moore Advantage

MOORE SCHOOL GRADUATE STUDENTS
• Attend class in our brand-new building, designed to facilitate 21st century business education and promote interaction between students and members of the business community
• Work closely with dedicated members of our Office of Career Management team to develop and execute a customized career plan
• Join a large, dynamic and engaging community of students, faculty and staff at the University of South Carolina, which is as well-known for its friendly, welcoming spirit as it is for its cutting-edge academics
• Become part of a community of more than 6,400 University of South Carolina graduate students seeking to become scholars, innovators, researchers, government officials and industry leaders across a wide range of professions
• Enjoy the facilities of studying at one of the nation’s top-tier Carnegie Research One universities
• Experience the thrill of Southeastern Conference (SEC) athletics, attending football games in USC’s famed Williams-Brice Stadium, cheering on the university’s highly ranked baseball and soccer teams, and more

MOORE SCHOOL ALUMNI
• Join the ranks of a worldwide network of fellow Moore School graduates who are business leaders in all 50 states and in 80 countries around the globe
• Continue to receive support from our Office of Career Management after graduation
• Benefit from the Moore School’s reputation as one of the world’s leading centers for international business education
